THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Errol in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 9th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To raise such sums of money as may be necessary for the repairs of Highways and Bridges.
4. To see what sum of money the Town will vote to raise for Public Library.
5. To see what sum of money the Town will vote to raise for the Cemetery for the ensuing year.
6. To see what sum of money the Town will vote to raise for Fire Department.
7. To see what sum of money the Town will vote to raise for Street Lighting.
8. To see what sum of money the Town will vote to raise for State Aid Construction.

9. To see what action the Town will take in regard to extensions of Electric Light Line, and raise money for same.
10. Is it expedient to revise the Constitution?
11. To transact any other business that may legally be brought before the meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord, nineteen hundred and thirty-seven.

H. E. LITTLE,
G. O. THURSTON,

School Report

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Errol, in the County of Coos. qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said district on the ninth day of March, 1937, at two o'clock in the afternoon, to act upon the following articles:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
6. To see if the District will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of Public Schools, and the payment of the Statutory obligations of the district, as determined by the School Board in its annual report.
7. To see if the district will vote to take any action about the repair of toilets and to repair basement wall or change floor in basement so as to prevent water flowing over floor during

spring time or heavy rains and to raise and appropriate money for the same.

8. To hear the reports of officers heretofore chosen and to transact any additional business that may lawfully come before said meeting.

Given under our hands at said Errol this tenth day of February, 1937.

ESTHER H. BEAN,
KARL H. THURSTON,
FRANCES E. LANE,

School Board of Errol.

ESTHER H. BEAN,
KARL H. THURSTON,
FRANCES E. LANE,

School Board of Errol

SUPERINTENDENT'S REPORT

To the Errol School Board:

I hereby submit for your consideration my third annual report of the Errol schools:

Teachers

Audrey Brann left at the close of schools in June and Doris Hamlin during the summer. To take their places, we secured Leona B. Fysh for grades four to six and Margaret E. Torrey for Domestic Arts and the Junior High. Early in January Mr. Ramsey, our headmaster, was selected by the Tamworth School Board to become the headmaster of their high school with a liberal increase in salary. To take his place, Donovan H. Stevens, Franklin, was selected. Mr. Stevens has had considerable experience in Junior High School work. We feel that we are indeed fortunate to be able to get a man with experience to take Mr. Ramsey's position at this season of the year.

Enrollment September 1936

The enrollment by grades is as follows: Grade I—6; Grade II—8; Grade III—10; Grade IV—7;

Grade V—10; Grade VI—9; Grade VII—4; Grade VIII—8; Grade IX—8; and Grade X—8.

The total of registration is 78, which is two less than last year. There are 13 tuition pupils from Millsfield and 10 from Wentworth Location. Two of the Wentworth Location pupils dropped out of the 9th grade after a very short time.

Transportation

The transportation of pupils is a difficult problem to solve at times owing to families moving into camps in out of the way places. The uncertain period of them remaining is an added difficulty.

The transportation routes are as follows: Clayton Turner transporting five pupils from Parson's Landing and Eight from Wentworth's Location; Archie Thurston has nine pupils; and James Jordan sixteen from Errol and thirteen from Millsfield.

There are two families with five children in the Henry Enman's lumber camp, who have given more or less trouble. The State Board has approved a private school for the camp but that has not solved all of the problem. We are in hopes that the situation will be settled soon in a manner satisfactory to all concerned.

Equipment

Books and supplies have been purchased as needed. Quite a few new books will be needed for another year as many of the books now in use are in bad condition. Much more reading material is needed in the elementary grades.

Building

The building has been wired for electricity and lights installed. The lights are a great help.

A new lock has been put on the outside door to comply with the State requirements.

The toilets need to be repaired or replaced and something done to the basement floor to prevent water from flowing over it every spring and when we have a heavy rain. There is an article in the Warrant calling attention to these needs.

Health

Miss Frances J. Varney of Colebrook has been in charge of the health work as in former years. She devotes about ten days to that work in our schools each year. Her last report shows twelve pupils who are under weight, three with defective vision, thirty-two with defective teeth, four with diseased tonsils, and forty-nine unvaccinated. There is a question whether or not we should hold a dental clinic in town so that we may clear up some of the cases of defective teeth. Thitry-seven pupils were reported as having been vaccinated since the last report.

School Census

The school census taken last September showed 40 boys and 19 girls or a total of 59 in town between the ages of five and sixteen. Of these five between five and eight were not in school. All the others were accounted for in school—54.

The number of pupils registered in the schools September 30, 1936 was 71 between five and sixteen and three over sixteen. The number attending high school outside of the district is two. There were reported nineteen in our schools whose residence was elsewhere.

Statistics

From the registers last June the following data was gleaned: The schools were actually in session thirty-six weeks net, the number of different pupils registered eighty-one, the per cent of attendance was 92.41, there were four pupils with a perfect record for the year, there were seventy-seven tardy marks, forty-four pupils transported at the expense of the district,

seven visits made to the schools by school board members, sixty-one by citizens, and 119 by the superintendent of schools. Six school board meetings were held. There were five girls who completed the work of the tenth grade last June.

Conclusion

In conclusion, I may state that conferences are held with individual teachers when their particular problems have been discussed and suggestions made as to methods, managements, etc. Some excellent work is being done in the schools. There seems to be good co-operation throughout the system.

Respectfully submitted,

ALONZO J. KNOWLTON.
